

INSTRUCTIONS FOR RELEASE OF ADMINISTRATION

ALL FORMS MUST BE TYPEWRITTEN

These instructions are being provided as a public service of the Butler County Probate Court, and are intended as a guideline only. Depending on the circumstances of each case, additional steps may be required that are not listed below.

Please review the Release of Administration packet, the clerks are not attorneys and therefore cannot answer legal questions or assist you in completing the forms or deciding which forms apply to your situation.

The documents that you file *must be typewritten, legible and completed in their entirety.* (Forms on our website may be filled in prior to printing). Illegible or incomplete documents may be refused for filing or if filed could result in your application being denied, delayed or dismissed.

Not all assets of a decedent must pass through Probate. As fiduciary, it is your responsibility to determine the asset(s) are and the value of those asset(s). The type and/or amount of the asset(s) will determine which type of estate you must file.

Once you have determined what assets must pass through Probate, you will need to determine the date of death value for those assets:

- **Bank Accounts** - Use the date of death balance. If the account is a checking account, be sure you deduct the amount of any outstanding checks.
- **Stocks & Bonds** - Use the closing value for the date of death, if the person died over the weekend; use the opening value for Monday morning.
- **Real Estate** - You must use an appraiser listed on the Approved Appraiser List. You may obtain the list by downloading it from this website. In a Release of Administration, the court will accept the Auditor's Valuation (property tax bill, a report printed by the Auditor's office, or a property transfer card from the Auditor's office) in place of an appraisal if no estate tax return is required.
- **Motor Vehicles** - either use the blue book value or have a local dealership write out an appraisal for you.
- **Business/Partnership** - You must have it appraised using an appraiser listed on the Approved Court Appraiser list. You may obtain the list by downloading it from this web site.

Certain assets of the decedent may be transferred by contract, such as joint and survivorship property, payable on death (POD) accounts, transfer on death (TOD) property, and life insurance or retirement benefits with named beneficiaries. These are non-probate and therefore may not have to be included in the estate administration. If you have questions about an asset, you will need to consult with an attorney of your choosing.

Property that must be included in probate and property that is subject to estate taxes are two different matters. Even if property is not required to be included in probate, it may still be subject to federal and/or Ohio estate taxes. To determine this, you would need to consult with an attorney of your choosing.

If the decedent was a recipient of social security, railroad benefits or any other pension plan, you must notify the agency or entity directly.

LEGAL PRACTICE IN THE PROBATE COURT IS RESTRICTED BY LAW TO ATTORNEYS WHO ARE LICENSED BY THE SUPREME COURT OF OHIO. IF AN INDIVIDUAL WISHES TO HANDLE HIS OR HER OWN CASE, THAT PERSON MAY ATTEMPT TO DO SO, HOWEVER DUE TO THE COMPLEXITY OF THE LAW AND DESIRE TO AVOID COSTLY ERRORS, MOST INDIVIDUALS WHO HAVE MATTERS BEFORE THE COURT ARE REPRESENTED BY AN ATTORNEY.

IF YOU CHOOSE TO REPRESENT YOURSELF AND USE THE COURT'S FORMS, PLEASE BE ADVISED THAT STATE LAW PROHIBITS THE JUDGE, MAGISTRATE AND EMPLOYEES OF BUTLER COUNTY PROBATE COURT FROM PROVIDING YOU WITH LEGAL ADVICE OR ASSISTING YOU IN THE SELECTION OR PREPARATION OF LEGAL FORMS. IF YOU NEED ADDITIONAL ASSISTANCE YOU WILL NEED TO CONTACT AN ATTORNEY OF YOUR CHOOSING.

EFFECTIVE JULY 1, 2009 Rules 44-47 of the Rules of Superintendence for the Courts of Ohio require that when submitting a case document to the court for filing, the party shall omit personal identifiers from the document and submit those personal identifiers on a separate form. This includes social security numbers (except the last four digits) and any financial account numbers. **NO ACCOUNT NUMBERS SHOULD BE LISTED ON ANY PROBATE FORMS.**

Rather than listing the personal identifiers on the forms, you must complete local form 614 and attach it to any case document that would normally contain such numbers. If you have an original Will that contains social security or account numbers - do not alter the document. The court will make a copy and redact those personal identifiers from the copy.

Failure to comply with this rule could result in your application being delayed and your documents being returned to you for correction.

Be sure you have read Local Rule 75.1(H) and complied with all requirements before you begin this process.

A release from administration may be filed if one of the following applies:

- The assets are \$15,000 or less and decedent died on or after January 1, 1976.
