B.C.L.R. 16.1 Mediation

The Court adopts this Rule as a means of offering alternative dispute resolution of contested matters in the Butler County Probate Court.

(A) Uniform Mediation Act

- 1. The Court intends this Rule to implement the Uniform Mediation Act, R.C. § 2710 (“UMA”). If there are any inconsistencies, the UMA controls resolution of the issue.

(B) Statement of Purpose

- 1. The purpose of mediation is to promote greater efficiency and public satisfaction through the facilitation of the earliest possible resolution of disputed cases in the Butler County Probate Court. The Court has established this mediation process to increase access to justice, to increase parties’ participation in the court process and their satisfaction with the outcome, to allow cases to settle more quickly and with less expense to the parties, and to expand the dispute resolution resources available to the parties.

(C) Definitions

- 1. All defined terms in the UMA have the same meaning for purposes of this Rule.

(D) Confidentiality of Proceedings

- 1. All mediation communications related to or made during the mediation process are governed by the UMA, the Rules of Evidence, and other pertinent procedural Rules.
 - a. Agreement to Mediate – In furtherance of assuring confidentiality in mediation proceedings, parties and non-parties desiring confidentiality of mediation communications must execute a written “Agreement to Mediate” before the mediation session. If a new or different person attends a subsequent session, his or her signature must be obtained prior to proceeding further in the process.
 - b. Privilege – All communications, negotiations, or settlement discussions between participants in the course of a mediation are not subject to discovery or admissible in evidence; they must remain confidential and are protected from disclosure, except as otherwise provided by law.
 - c. Mediator May Not Testify – The mediator is prohibited from being called as a witness in any subsequent legal proceeding, unless the parties agree otherwise under the terms of a settlement agreement.

B.C.L.R. 16.2 Initiation of Mediation

(A) Mediation Referral

1. Referral Process – The Court, on its own motion or the motion of any of the parties, may refer disputed issues to mediation in whole or in part by filing an order of referral to mediation. Within thirty (30) days after the date of that order, the mediator or the parties must jointly file a notice of scheduled mediation, which must, at a minimum, indicate the date, time, place, and contact information for the mediation.
2. Domestic Violence – All parties and attorneys must advise the Court of any domestic violence allegations known to them to exist or to have existed in the past, or which become known to them following entry of the order of referral to mediation but before conclusion of all mediation proceedings, when allegations involve any two (2) or more persons whose attendance is required by the referral order.
3. Eligibility of Cases – The Court will determine the eligibility and appropriateness of each referral before the commencement of the mediation process and may decline any referrals the Court deems inappropriate.
4. Outside Referrals – If a dispute involves such issues as mental health, developmental disability, or aging adults, but a guardianship case has not been filed, a party may file a motion to refer the matter to mediation. A case will be referred to mediation if mediation is likely to resolve the dispute as a less restrictive alternative to guardianship.

(B) Selection and Assignment of Mediator

1. The Court will select the Mediator, taking into consideration the qualifications, skills, expertise, and caseload of the mediator, in addition to the type, complexity, and requirements of the case.

(C) Mediator Conflict of Interest

1. In accordance with R.C. § 2710.08(A) and (B), the mediator assigned by the Court to conduct a mediation must disclose to the parties, attorneys, and any non-party participants any known or possible conflicts that may affect the mediator's impartiality as soon as such conflicts become known to the mediator. If any attorney or mediation party requests that the assigned mediator withdraw because of the facts so disclosed, the assigned mediator must withdraw and request that the Court appoint another mediator.

B.C.L.R. 16.3 Mediation Process

This Rule governs the process for all mediations. The mediator may have additional procedural policies that the parties must follow.

(A) Mediation Procedure – In accordance with all applicable provisions of this Rule, if the Court deems a case appropriate, mediation will be scheduled. A mediator may meet with the parties individually before bringing the parties together for any reason, including, without limitation, further screening. A mediator may schedule multiple mediation sessions, if necessary and mutually acceptable to the parties, for the resolution of the issues in part or in their entirety. The Court will utilize procedures for all cases to accomplish all of the following:

1. Participation – The procedures will ensure that all parties are allowed to participate in mediation, and, if the parties wish, that their attorneys and other individuals they designate are allowed to accompany them and participate in mediation.

2. Domestic Violence – The procedures will provide for screening for potential domestic violence both before and during mediation.
3. Referrals – The procedures will enable appropriate referrals, if necessary, to attorneys and other support services for all parties, including victims of and suspected victims of domestic violence.
4. Prohibited Uses – The procedures will prohibit the use of mediation in any of the following circumstances:
 - a. As an alternative to the prosecution or adjudication of domestic violence;
 - b. In determining whether to grant, modify, or terminate a protection order;
 - c. In determining the terms and conditions of a protection order; and
 - d. In determining the penalty for violation of a protection order.

(B) Mediation Case Summary

1. At least five (5) court days before the mediation, the parties must submit to the mediator a short memorandum stating the legal and factual positions of each party, as well as other material information each party believes would be beneficial to the mediator, including, without limitation:
 - a. A summary of material facts;
 - b. A summary of legal issues;
 - c. The status of discovery;
 - d. A list and explanation of special damages and a summary of all injuries or damages; and
 - e. Settlement attempts to date, including demands and offers.

(C) Party and Non-Party Participation – The following requirements apply to participation in the mediation by parties and non-parties:

1. Mandatory Participation
 - a. Parties who are ordered into mediation in formal cases must attend scheduled mediation sessions. The Court may order parties to return to mediation at any time in formal cases. Party representatives with authority to negotiate a settlement and all other persons necessary to negotiate a settlement, including insurance carriers, must attend the mediation sessions. If the parties, their attorneys, or the insurance representatives do not attend the mediation sessions, the mediator must report the non-compliance to the Court.
2. Attorneys
 - a. The Court or the mediator may require the attendance of the parties' attorneys at the mediation sessions if the mediator deems it necessary and appropriate.
3. Necessary Party
 - a. If any party's attorney becomes aware of the identity of a person or entity whose consent is required to resolve the dispute, but that person or entity has not yet been joined as a party in the pleadings, they must promptly inform the mediator as well as the Court.
4. Disclosure of Relationship
 - a. The following relationships between opposing parties must be disclosed in any and all cases:
 - i. Related by blood, adoption, or marriage;
 - ii. Have resided in a common residence; or
 - iii. Have known or alleged domestic violence at any time before or during the mediation.

5. Nonparties

- a. By participating in mediation, a nonparty participant, as defined in R.C. § 2710.01(D), agrees to be bound by this Rule and submits to the Court's jurisdiction to the extent necessary for enforcement of this Rule. Any non-party participant has the rights and duties under this Rule attributed to parties, except as provided by R.C. § 2710.03(B)(3) and § 2710.04(A)(2).

(D) Stay of Proceedings

1. All Court Orders will remain in effect during the mediation process, and may not be stayed or suspended without further Court order. Mediation will not stay discovery, which may continue through the mediation process, unless the parties agree otherwise and the Court approves.

(E) Continuances

1. It is the Court's policy to resolve matters as expeditiously as possible. The Court will only grant continuances of scheduled mediations for reasonable cause shown after a mutually acceptable further date has been determined. Only the Court may grant a continuance. Except as authorized by the Court, the existence of pending motions is not reasonable cause for a continuance, and the Court will not grant a continuance unless the mediation can be scheduled before the final pretrial conference.

(F) Termination

1. If the mediator determines that further mediation efforts would not benefit the parties, he or she must inform all interested parties and the Court in writing that the mediation is terminated.

B.C.L.R. 16.4 Results of Mediation

(A) Mediation Memorandum of Understanding

1. The mediator, parties, or their attorneys, if applicable, as agreed by the parties, may promptly prepare a written memorandum memorializing the agreement reached by the parties.  - a. If the guardian is permitted to use either or both powers of attorney, the guardian is accountable to the Court for all activities undertaken as agent under the powers of attorney.
2. If the Court appoints the guardian and the guardian is not the ward's designated and currently acting agent under a valid durable power of attorney or durable power of attorney for health care, the powers of attorney are automatically deemed terminated and void unless the Court orders otherwise.

B.C.L.R. 68.2 Structured Settlements used in Minor Settlement Claims

All proposed settlements of a minor's claim that are to be paid, in whole or in part, by means of structured settlement must comply with the requirements in this Rule. - (A) The application shall include an affidavit from an independent certified public accountant, actuary, certified financial planner, or equivalent professional, specifying the present value of the structured settlement and the calculations used to arrive at that present value determination.
- (B) If the settlement is to be funded by an annuity, the annuity shall be provided by an annuity carrier which meets or exceeds the following criteria:
 1. The annuity carrier must be licensed to write annuities in Ohio and, if affiliated with the liability carrier or the person or entity paying the settlement, must be separately capitalized, licensed, and regulated, and must have a separate financial rating.
 2. The annuity carrier must have a minimum of one hundred million dollars (\$100,000,000.00) of capital and surplus, exclusive of any mandatory security valuation reserve.
 3. The annuity carrier must have one (1) of the following ratings from at least two (2) of the following rating organizations:

 5. A qualified insurer issuing an annuity contract pursuant to a qualified funding plan under these Rules may not enter into an assumption reinsurance agreement for the annuity contract without the prior approval of the Court, the owner of the annuity contract, and the claimant having the beneficial interest in the annuity contract. The Court shall not approve assumption reinsurance unless the re-insurer is also qualified under these Rules.

6. The annuity insurance carrier and the broker procuring the policy shall each furnish the Court with an affidavit certifying that the carrier meets the criteria set forth in subsection 3 above as of the date of the settlement and that the qualification is not likely to change in the immediate future. The broker's affidavit shall state that the determination was made with due diligence based on rating information which was available, or should have been available, to an insurance broker in the structured settlement trade.
 7. In the event the parties desire to place the annuity with a licensed insurer in Ohio that does not meet the above criteria, the Court may consider approving the same, but only if the annuity obligation is bonded by an independent insurance or bonding company, licensed in Ohio, in the full amount of the annuity obligation.
- (C) Documentation – A complete and accurate copy of all documentation relating to the proposed structured settlement must accompany the application to settle a minor's claim for the Court's review before the hearing.

- (E) Unless otherwise ordered by the court, the fiduciary of the estate shall file a Report of Distribution (SPF 14.3) within 30 days of the filing of the Entry Approving Settlement (SPF 14.2).

B.C.L.R. 71.1 Counsel Fees

- (A) Attorney fees are governed by the Rules of Professional Conduct and the Rules of Superintendence adopted by the Supreme Court of Ohio. The attorney has the ultimate responsibility to ensure that fees sought pursuant to this Rule comport with the Rules of Professional Conduct.
- (B) Counsel shall enter into a dated written fee agreement with the fiduciary prior to or upon the filing of an Application for Authority to Administer with the Court. A copy of the fee agreement shall be provided to any residuary beneficiary of the probate estate upon request. If the attorney for the estate is also the fiduciary or if the fiduciary is an attorney associated with the attorney for the estate, a copy of the fee agreement shall be provided to all residual beneficiaries of the probate estate promptly upon its execution.
- (C) An application and proposed entry is required to be filed in all full administration estates except as provided for in paragraph (M) below. The Application for Attorney Fees for the administration of a decedent's probate estate ordinarily shall be made at the time the fiduciary's final account is filed with the Court.
- (D) The Court may, upon application and for good cause shown, approve an Application for Partial Payment of Attorney Fees without a hearing prior to the time the fiduciary's final account is filed with the Court. The grounds for approving partial payment of attorney fees may include, for example, that the payment of attorney fees provides an income tax benefit to the estate, that the estate is involved in protracted litigation, or that the administration of the estate is extended beyond twelve (12) months from the date the fiduciary is appointed because of circumstances beyond the fiduciary's and the attorney's control. In all such cases, the application must state the total amount of the attorney fees and any anticipated extraordinary fees estimated to be requested for the complete administration of the decedent's probate estate. Ordinarily, partial attorney fee requests should not exceed 50% of the total amount of the attorney fees estimated to be requested for the complete administration of the decedent's probate estate.
- (E) When multiple attorneys have been retained by the fiduciary or fiduciaries for the probate estate, or when it is anticipated that attorney fees will be paid to more than one attorney or law firm, all fee requests may be considered by the Court simultaneously.
- (F) If counsel requests a fee that is not within the guideline set forth in paragraph (H) below, a written application signed by the fiduciary or attorney and supported by the attorney's time records for all services, including time for services both within and outside of the guideline, shall be filed with the Court. If all of the residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees are adults not under legal disability who have consented in writing to the payment of such fee, the Court may approve the application without hearing. If all of the residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees are not adults, are not under legal disability, or have not consented in writing to the payment of such fees, the application shall be set for a hearing before the Judge. Counsel shall serve notice of the hearing upon all residuary beneficiaries of the probate estate and all other

parties affected by the payment of said fees pursuant to Civ. R. 73(E) and return thereon filed with the Court. Consenting beneficiaries shall be deemed to have waived service of notice of hearing on attorney fees. No consents from the residuary beneficiaries of the probate estate or other parties affected by the payment of said fees are required where counsel's fee is two thousand five hundred dollars (\$2,500.00) or less.

- (G) Attorney fees for the administration of a decedent's probate estate, as set forth below, may serve as a guide in determining fees to be charged to the probate estate for legal services of an ordinary nature rendered as attorney for the fiduciary in the administration of a decedent's probate estate. The Court does not have, nor is there recognized, any minimum or maximum fees that will automatically be approved by the Court. Misrepresentation of this guideline may result in sanctions, including the disapproval of or partial or total disgorging of attorney fees.
- (H) Attorney fees calculated under this guideline shall be rebuttably presumed to be reasonable:
1. On all property subject to administration (Inventory value in addition to ordinary income) and for which the fiduciary is charged as follows:
 - a. For the first \$50,000.00 at a rate of 5.5%
 - b. All above \$50,000.00 and not exceeding \$100,000.00 at the rate of 4.5%
 - c. All above \$100,000.00 and not exceeding \$400,000.00 at the rate of 3.5%
 - d. All above \$400,000.00 at the rate of 2.0%
 2. For real estate sold by judicial proceedings, the attorney fees shall be calculated in accordance with B.C.L.R. 65.1. Attorneys shall not double-charge fees in estates which include proceeds of land sale actions.
 3. All other property that passes outside of probate as a result of the decedent's death shall be compensated at the rate of 1% of all such property, except for joint and survivorship property that passes to a surviving spouse, which shall be compensated at the rate of ½ of 1% (0.5%).
- (I) If a hearing is held on an attorney fee application, a party in interest may not later object to the payment of that fee upon the filing of the Final Account. If a hearing is not held, a party in interest may object to the payment of that fee upon the filing of the Final Account. Attorney's fees may be collected by the attorney upon the Court's approval of the application therefor, but payment of attorney fees shall not be considered final until the Final Account has been approved and, if exceptions were filed, the time for appeal has run.
- (J) Where the fiduciary is also the attorney for the estate, or where the attorney for the estate is associated with the fiduciary's law firm, reasonable attorney fees shall be rebuttably presumed to be one-half (½) of the guideline amount as set forth in paragraph (H) above. This paragraph shall not apply if the fiduciary fee is waived.
- (K) An application to the Court for attorney fees for services rendered in an estate relieved from administration shall not be required, but such fees shall be disclosed as a liability of the estate.
- (L) An application to the Court for attorney fees shall not be required in summary release or transfer of real estate only proceedings where such fees are seven hundred and fifty dollars (\$750.00) or less.
- (M) Separate application to the Court for attorney's fees shall not be required in estates concluded by Certificate of Termination when such fees are within the guidelines in paragraph (H) or not exceeding two thousand dollars (\$2,000.00), whichever is greater.
- (N) Except for good cause shown, attorney fees shall not be allowed to attorneys representing fiduciaries who are delinquent in filing the accounts required by R.C. § 2109.30, et seq.

- (O) In cases involving both probate and non-probate assets, an attorney must follow the procedures set forth in this Rule to approve the amount of fees charged for work done handling the administration of the probate assets. If the attorney desires to waive fees for such work, a written waiver of such fees shall be filed with the Court and as such, fees shall not be collected from any other source.
- (P) Unless otherwise authorized by the Court, attorney fees should not be awarded for that portion of any time spent traveling to and from the Court that would not have been incurred but for the fact that the attorney has an office located outside Butler County or counties contiguous thereto.

B.C.L.R. 75.2 Name Change and Name Conformity Proceedings

This Rule governs name change and name conformity proceedings under R.C. § 2717. Name change, name conformity, and birth record correction proceedings serve different purposes. Each action has its own requirements. The Court will determine if the application is the appropriate procedure to accomplish the person's intent based on the circumstances.

(A) Choosing the Correct Proceeding

1. Name Change – A name change proceeding seeks to change all or part of a person's name to a different name going forward.
2. Name Conformity – A name conformity proceeding is solely to correct misspellings, inconsistencies, or errors on one (1) or more official identity documents evidencing a person's current legal name. A name conformity corrects errors that occurred in the past. It does not change a person's name, but merely identifies conflicting problems in their official identity documents and corrects those problems by a Court Order so that all of the person's official identity documents are consistent and conformed to prove the applicant's chain of identity and reflect the legal name the person currently uses.
3. Birth Record Correction – A birth record correction proceeding only corrects clerical errors in the birth record of a person who was born in Ohio. A birth record correction proceeding may not be substituted for a name change proceeding or name conformity proceeding (B.C.L.R. 75.3 regarding birth record correction).

(B) Documentation Requirements on Name Change Proceedings

1. An applicant seeking a name change must provide the following documents relating to the applicant or minor with the application:

 - 2. Upon review of the application, the Court may order the submission of other documents the Court deems relevant to the application.
 - 3. All government issued ID's must be valid.
 - 4. The applicant must redact (black out) social security numbers, driver's license numbers, and driver's license issuance and expiration dates on all documents submitted to protect the privacy and confidential information of the applicant or minor.

 - 4. The applicant must redact (black out) social security numbers, driver's license numbers, and driver's license issuance and expiration dates on all documents submitted to protect the privacy and confidential information of the applicant or minor.
- (D) Hearings on Adult Name Change and Adult Name Conformity Proceedings
- 1. Generally, the Court will not require a hearing and will dispense with notice on an adult name change or an adult name conformity proceeding. The Court may require a hearing if the Court determines that the application presents any irregularities or issues, or if the Court determines that the legal interests of another party may be affected by the proceeding. If the Court requires a hearing, it will determine the manner, scope, and content of the hearing notice.
 - 2. All documentation must be supplied no later than ten (10) days before the date of the hearing.
- (E) Hearings on Minor Name Change and Minor Name Conformity Proceedings
- 1. In uncontested name change proceedings and name conformity proceedings for a minor in which the consent of both natural parents of the minor is filed simultaneously with the application, the Court generally will not require a hearing and will dispense with notice. If an application for name changes of a minor or application to conform name of a minor is filed without the written consent of either the natural or adoptive parents, or if the Court determines that the application presents any irregularities or issues, the Court will schedule the application for a hearing. Notice of the hearing will comply with paragraph

(F) of this Rule. The applicant must appear at the hearing. The minor shall attend the hearing unless excused by the Court.

2. All documentation must be supplied no later than ten (10) days before the date of the hearing.

(F) Service of Notice on Minor Name Changes and Minor Name Conformity Proceedings

2. All documentation must be supplied no later than ten (10) days before the date of the hearing.

(G) Contested Proceedings

1. If any name change or name conformity proceeding becomes contested, the Court will convert the scheduled hearing date to a pretrial conference, during which the Court will set a new hearing date. At the pretrial conference, the Court will determine whether to excuse a minor who is the subject of the action from appearing at the hearing if the circumstances may create unnecessary emotional distress for the minor. The Court may decide to conduct an *in camera* (private) interview of the minor in lieu of their appearance at the hearing. The applicant and the person contesting the application must attend the pretrial conference personally or through their legal counsel.

(H) Confidentiality

1. If an applicant for a name change or name conformity desires the proceeding and the record to be confidential, the applicant must file an Application to Waive Publication Requirement and Seal File (SPF 21.6) supported by an affidavit or other sufficient proof that notice of the hearing or public access to the record would jeopardize the applicant's personal safety. If the Court grants the applicant's request, the Court will waive notice and seal the file during the pendency of the case. The file will remain sealed if the Court grants the name change.

(I) Hearings in Uncontested Matters

1. Name Change for Adult
 - a. In all uncontested name change proceedings for an adult, the Court will set the application for a non-appearance hearing in lieu of a formal in-person hearing. The applicant does not need to be present at the non-appearance hearing. If no one objects to the application on or before the non-appearance hearing date, the Court will review the filing, assure proper notice has been served, and make a ruling on the application. A proposed entry must accompany the request. If the Court grants the applicant's request, the Court will waive notice and seal the file during the pendency of the case.
